

Raj Suhail

Senior Frontend engineer

Work experience

Pupilfirst ✦ Sr. User Interface engineer

DEC 2021 - PRESENT

Pupilfirst is revolutionizing Indian education, and my role here goes beyond frontend development. I actively contribute to:

- **Design and Development:** Lead the design and development of new features across the Pupilfirst LMS, enhancing both functionality and user satisfaction.
- **Strategic Redesigns:** Spearheaded the redesign of key user flows, including the curriculum editor, internationalization, and theming, resulting in accessible, streamlined processes and improved usability.
- **Internal Tools & Public Platforms:** Designed and developed interfaces for internal tools that optimize operational efficiency and revamped public-facing websites like Pupilfirst.org and lite.pupilfirst.org to better engage the audience.
- **Mentorship & Training:** Developed "Visual Design Essentials," a course that empowers designers with foundational design skills.

NOQOD ✦ Sr. User Interface engineer

JAN 2020 - DEC 2021

At NOQOD, a digital payment platform, my role involved a mix of leadership, design, and development:

- **Leadership:** Led the design efforts for the NOQOD Business App and NOQOD Pay App, ensuring a seamless and user-friendly experience across platforms.
- **Cross-functional Collaboration:** Worked closely with stakeholders, product managers, and developers to align design solutions with business objectives.
- **Design & Development:** Oversaw the design and development of the NOQOD Merchant Portal, Payment Gateway Library SDK, NOQOD Admins and the NOQOD website, ensuring they met the highest standards of usability and aesthetics.

e-Resolute ✦ UI/UX Designer

MAR 2019 - DEC 2019

Enhanced user experiences for financial applications, focusing on Finance House, one of Dubai's leading banks.

- **Redesigned Payment Modules:** Revamped the user interface and interaction design for the Payday app, boosting user satisfaction.
- **Holistic Design Approach:** Led wireframing, and visual design efforts, ensuring a seamless and intuitive user experience.
